

## **Can't Stop Singing That Song**

Music and Lyrics by Aline Shader (2001)

### **Verse 1**

Can't stop singing that song about you  
Can't help hoping for long summer days  
In my dreams, I take a thought from my imagination  
And it seems when I'm awake I'm singing the phrase

### **Verse 2**

I've heard rhythms and rhymes very clearly  
Melodies of the times I once knew  
Nothing can compare I say sincerely  
Can't help singing that song, that song about you  
That song about you.
