

Here in My House

Music and Lyrics by Aline Shader (1970)

Part 1

Here in my house there are candles burning bright
One for every night of the holiday
We gather with friends sharing gifts and happy times
Happy Hanukkah

Part 2

And in my neighbor's house the lights are shining, too
Red and green and blue 'round the door
The sound of jingle bells and laughter everywhere
Merry Christmas and many more

Bridge

Season of light
Season of cheer
Season of peace
May it last throughout the year

Part 1

Here in my house
And in my neighbor's house
There are candles burning bright
The lights are shining, too
One for every night of the holiday
Red and green and blue 'round the door

The sound of jingle bells
Sharing gifts and happy times
And laughter everywhere
Happy Hanukkah
Merry Christmas and many more
