

Hope

Music and Lyrics by Aline Shader (1978)

Verse 1

Hope that the days are sunny
With beautiful song to sing
Laughter that's bright and funny
And delight that a child can bring

Verse 2

Hope for a wond'rous springtime
For a blanket of winter snow
Colors of autumn bring time
From the summers of long ago

Bridge

Put all your cares behind you
And misfortune will fly away

Verse 3

Hope for the garden flowers
Making a grand bouquet
Hope for the gentle showers
And a vast array
Hope for the happy hours
Of a sunny day
