

## **Journey**

Music and Lyrics by Aline Shader (1993)

### **Verse 1**

I went for a visit to Paris, France  
And I sailed on the ocean wide  
I crossed London bridges and Switzerland's ridges  
And fields on a mountainside  
The Arctic Circle, the Kremlin Square  
Gibraltar and rocks below  
Tibet and Capri, oh I was there  
And I wondered where else I could go  
And I wondered where else I could go

### **Verse 2**

I went for a visit to old Peru  
And I listened for ancient sounds  
I rode on a train to Toledo, Spain  
And I walked on the palace grounds  
Then to Australia and overseas  
I flew to the China Wall  
I danced with the graceful Balinese  
And I thought I had seen it all  
And I thought I had seen it all

### **Verse 3**

I went for a visit to Africa  
To the valleys and jungles wild  
And Cape Town Bay was exactly the way  
I imagined when I was a child  
The Caribbean to swim, and then  
Then Nile and the Galilee  
And when it was time to be home again  
You were already waiting for me  
You were already waiting for me
