

Rainsong

Music and Lyrics by Aline Shader (1971)

Intro

It's raining
It's raining
It's raining
It's raining

Verse 1

And what if it rains tomorrow?
And what if it rains, and what if it rains?
What if it rains tomorrow?
And what if it rains again?

Verse 2

And what if it pours tomorrow?
And what if it pours, and what if it pours?
What if it pours tomorrow?
And what if it pours? And then...

Bridge

Will the wind go whiling around about
Wind go swirling to sound it out
Clouds go banging and thunder roar
Rain and more and more?

Verse 3

And what if rains tomorrow?
And what if it rains and what if it pours?
We'll close all the windows and close all the doors
And side-by-side we will always stay
And look at the rain today.
