

Smile

Music and Lyrics by Aline Shader (1971)

Part 1

When you're afraid, when you're in doubt
Wond'ring what to do
Wishing that time would hurry
Wishing for dreams to come true

And if you are afraid, if you're in doubt
Wond'ring what to do
Offer a smile and a smile will return
Just for you

Part 2

When you're smiling
Sun will shine
Rainbows happen
That's a sign

You'll see someone
Smiling too
With a smile
Just for you
