

Song

Music and Lyrics by Aline Shader (1986)

Part 1

I have an answer when there's a question
Look around is my suggestion
Here is in the sunshine, there is the blue sky
You can see it the way I do

I look for a rainbow, watch for a star
I make a wish, why there you are
And that's the reason
I like you

Part 2

I like the sun, I like the moon
I like to kick my heels and hum a tune
I like the woods and all the trees
I like to see the branches touch the breeze

I like the birds, the way they sing
About the summer, winter, fall and spring
And every season is when
I like you
