

The Miss You Song

Music and Lyrics by Aline Shader (1991)

Verse 1

When I travel far from home
To a distant shore
I begin to think of you
And miss you more and more

Refrain

Any hour, any day
Any time I am away
Coast to coast, coast to coast
You're the one I miss the most

Whether near, whether far
Always wond'ring how you are
Coast to coast, coast to coast
You're the one I miss the most

Verse 2

I'll come back before too long
And until I do
When it seems I just can't wait
I'll sing a song of you

Refrain

Any hour, any day
Any time I am away
Coast to coast, coast to coast
You're the one I miss the most

Whether near, whether far
Always wond'ring how you are
Coast to coast, coast to coast
You're the one I miss the most

Coast to coast
Coast to coast
I miss you most
