

Wouldn't You Like to Play with Me?

Music and Lyrics by Aline Shader (1992)

Introduction

The creatures of the deep blue see can be
A little bit lonely as we can be
And if they want some friendly company
They find a way to ask, and say...

Verse 1

Group 1

Wouldn't you like to play with me
Frolicking all the day with me
Splashing and skipping
And sliding and slipping away

Group 2

Wa oo
Wa oo

Wa oo wa oo wa

Verse 2

Group 1

Or maybe we'll spend all our time with fish and frog
Slithering through a hollow log
Diving and dipping
And darting and dripping away

Group 2

Wa oo
Wa oo

Wa oo wa oo wa

Bridge

Group 1

And then we'll chase an eel
And hide and seek
A peek at the sun
Watch a seal, it's fun with his applause
And just because

Group 2

Ooo...

Ahh...

Verse 3

Group 1

I'd like it if you would stay with me
Swim around in the bay with me
Joke around, poke around
Soak around if you agree
Say, wouldn't you, couldn't you
Play with me
With me
With me?

Group 2

Wa oo
Wa oo

Ooo...
