

verybody Sing

Music and Lyrics by line Shader (1996)

Tutti

When earth sings to the trees, trees spread out their branches
Leaves begin to reappear and birds decide to stay
The sky reaches wide across the seas, harmony has possibilities
And the chances will be better starting this very day

Part 1

Ev'rybody sing
Ev'rybody sing
Ev'rybody sing
Together we belong

Ev'rybody sing
Ev'rybody sing
Ev'rybody sing
A sing-together song
